SELF-GOVERNMENT PLAN REPORTED

Intended to Adopt Traditions of University With New Conditions.

[Special to The Times-Dispatch.] Charlottesville, Va., February 2.—At the second student body of the winter term at the University of Virginia, a plan of self-government of Virginia, with the intention of adopting the traditions and form of government of the past with the new and more cosmopolitan conditions was read and referred to a committee for further consideration.

The plan, which is principally the work of Churchill Humphrey, involves the creation of three new student bodies, which are a president of the student body, a vice-president and secretary. An executive committee is composed of the presidents of the departments at the university, the same as the present honor committee, and this committee, with this president of the student body, acts upon all matters relative to self-government, and is designed to do away with the interference of the faculty in affairs that may arise. The honor system is not affected, other than that this present is included upon the committee and is to act as a fiscal agent against any accused. The plan does not accord to its originator, work against tradition, nor does it involve the appointing of policemen or spies. It will be a matter of some time before the committee, in whose hands the matter has been placed, can report back this plan. The plan is intended to be as good as one for the consideration of students.

Charles W. Davis, of Sedley, Va., president of the debate society at the University of Virginia, has announced that a debate has been arranged between the University of Virginia and the University of Georgia, to take place in Charlottesville, Virginia, on the subject of the State Oratorical Association, and will also send a representative to the Southern Intercollegiate Debate Union, which is to be held in New Orleans, La., on the subject of the State Oratorical Association, and will also send a representative to the Southern Intercollegiate Debate Union, which is to be held in New Orleans, La., on the subject of the State Oratorical Association.

LA MARQUISE DE FONTENAY

THAT Emperor Francis Joseph's health in a more precarious condition than official or semi-official reports are willing to admit, is strikingly shown by the fact that all the customary festivities of the court of Vienna, in connection with the Fasching carnival, have been abandoned, and that authorities not far from the fact that this spring there will be neither "Hofball," nor yet "Ball-hof"; that is to say, court balls of any kind; neither the customary "Court Ball," nor yet the more elaborate "Ball at Court." Of course, there may be other reasons for refraining from giving these balls, which afford the only opportunity of official presentation of court to Austrian debutantes and young married women possessed of the requisite genealogical qualifications to newly arrived aristocrats, and of the most distinguished diplomatic missions, and their wives, and to a few distinguished foreigners.

Among the causes mentioned are the eternal tracasseries and contentions with regard to the status and precedence of the Duchess of Hohenberg, morganatic wife of Emperor Francis Ferdinand, next heir to the throne. But the principal reason is the aged Emperor's frail health, which is no ground for immediate uneasiness. It has been intimated that the Emperor is gradually recovering from his illness, and that he will be able to resume his duties in the near future.

The young archduchess, by the way, is the daughter of the Emperor's half brother, Duke Albert, and is a granddaughter of the Emperor's. She is a very beautiful girl, and is expected to marry a prince of the Austrian nobility.

GROCERY STORE DAMAGED BY FIRE

Early Morning Blaze Supposed to Have Caught From Stove.

FREIGHT RATE REDUCED

Sudden Death of Well-Known Veteran—Other Petersburg News.

Time-Dispatch Bureau. 5 Bollingbrook Street, (Telephone 1432) Petersburg, Va., February 2.—The stor and stock of groceries and provisions of Robert C. Symon, on a heavy damaged by fire this morning about 1 o'clock. The fire is supposed to have caught from the stove, and the loss is partly covered by insurance. The building was a one-story frame structure, and the department succeeded in saving adjacent property from injury.

Alleged Dope Dealers Sent On. Information came to the police yesterday that traffic in cocaine was going on freely in the city. An investigation resulted in the arrest of Green Brown, negro, and Charles Wilkes, a white resident of Ettrick, at the dispensers of the dope. In the Police Court this morning both men were sent to the Hastings Court. Brown, in whose possession a quantity of cocaine was found, was sentenced to 30 days in jail, and Wilkes, who was found with him, was sentenced to 15 days in jail.

Freight Rate Reduced. The conference in Roanoke yesterday of Secretary Martin, of the Chamber of Commerce, with General Freight Agent Ruffin, of the Norfolk and Western Railway, resulted in a 50 per cent. reduction of freight rates on the transportation of the output of the Miller & Kirkpatrick quarries, in Dinwiddie county. The firm is a new concern in Virginia, and it brought a large force of skilled workmen. The charges on their shipments were so high that they had decided to close down the plant, unless more favorable rates could be obtained. Mr. Ruffin, after hearing the facts in the case, very promptly consented to and ordered the reduction.

Sudden Death of a Veteran. James E. Moore, a well-known citizen and Confederate veteran, died very suddenly last night about 11 o'clock in his home at Kenilworth, just west of the city. Mr. Moore was for many years engaged in mercantile business in the city, but for some time past he has been in ill health. He seemed better than usual yesterday, and ate a hearty supper last night. He was stricken about 11 o'clock and died before medical aid could reach him. He is survived by his wife and four sons, Mr. H. H. and E. B. Moore, of Petersburg, and R. H. Moore, of Dinwiddie.

Veterans and Sons. A. P. Hill Camp of Confederate Veterans held its regular meeting last night at the business of special interest was considered.

To-night A. P. Hill Camp. Sons of Veterans will meet and arrange details for the marker to be erected in Dinwiddie county to designate the spot where General A. P. Hill was killed. It is assigned to erect a small marker on the exact spot of the general's death, and a larger and more imposing one, suitably inscribed, on the public highway nearby, indicating the location of the smaller one.

The Majority Campaign. In the general election of Petersburg will elect twelve Councilmen, six Aldermen and a Mayor. Some of the present members of the Council, it is understood, will not offer for re-election. Mayor George Cameron, Jr., who was elected by the Council to serve the unexpired term of the late Mayor William M. Jones, will be a candidate for election to the office by the people. Hon. William R. McKenney has declined the request of his friends to become a candidate. President R. Bolling Wilcox, of the Common Council, is considering required terms of the Council to announce his candidacy for the mayoralty, as it is thought he will consent to do so.

Proposed Modern Church. It is expected that work on the new Methodist Church, on West Washington Street, will soon be commenced. Plans for a sturdy modern edifice, to meet all the needs of an up-to-date church and Sunday school, have been discussed, the cost to be about \$15,000. The location of the proposed church is in a growing section of the city, and it is designed to include the congregation of the West Street Church.

To Oppose Consolidation. The proposition to consolidate the Petersburg custom house with that of Richmond is meeting with strenuous opposition in this city. The Chamber of Commerce, the Retail Merchants Association, the manufacturers of tobacco and others will take part in the fight against the consolidation.

Case Postponed. Further consideration of the exceptions to the report of the commissioner in the Harrison Street (colored) Baptist church case, which were continued over until next Friday, Tuesday, will be held in the Hastings Court in the case, has already passed three days in hearing argument on the exceptions, which came from both sides.

Threatened Fire. The department was called to the Masonic Hall, on Tabb Street, this morning by a still alarm. A scuffle of hot ashes had set fire to the floor of the A. P. Hill Camp Hall. The flames were extinguished without material damage.

Personal and General. Adjutant Virginia and five officers of the Richmond Salvation Army attended and delivered addresses at a special meeting of the Petersburg army tonight.

The engagement has been announced of Miss Katie Blacker, daughter of Mr. and Mrs. E. Blacker, of this city, to Max Tobias. The wedding will take place on February 20.

Mrs. E. T. Birdsong and her brother, E. M. Chappell, both of Prince George, who have been ill, are reported as improving.

The report of the relief work done by the Salvation Army in Petersburg during the month of January shows that 155 families were furnished with coal and 101 families were furnished with groceries and provisions. A great many were supplied with clothing and shoes.

M. A. Finn has purchased the property at the corner of Bollingbrook and Second Streets, formerly occupied by the Levy Peanut Company, and will erect a handsome building on the site.
